DECLARATION and POWER OF ATTORNEY

As below named inventor, we hereby declare:

that I am a citizen of the United States and my residence and post office address are as stated below next to my name;

that I believe I am the original, first and sole inventor of the invention having the title set forth above, a description of which is set forth in the patent application attached hereto;

that I have reviewed and understand the contents of the above-identified patent application, including the claims; and

that I acknowledge our duties to disclose information including information which became available to me between the applicable effective filing date of the application on which this application is based under 35 U.S.C. §120 and the 12 December 1997 filing date of this application.

As the inventor, I hereby appoint Charles N. Quinn, an attorney registered to practice in the United States Patent and

Trademark Office pursuant to Registration Number 27,223 as my attorney and agent with full power of substitution to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith.

I hereby give Mr. Quinn or his duly accredited representatives power to inspect and obtain copies of the papers on file relating to this application.

Please send all correspondence to:

SMALL ENTITY STATUS STATEMENT BY AN INDIVIDUAL INVENTOR
UNDER 37 C.F.R. §1.9(c) AND (f)

Dear Sir:

I, the undersigned, hereby declare as follows:

I have not assigned, granted, conveyed, licensed or otherwise transferred and am under no obligation pursuant to any contract or any law to assign, grant, convey, license or otherwise transfer rights in the above-captioned pending United States patent application to any third party who would not similarly qualify for "small entity" status as an independent inventor, under Section 1.9 (c) of Title 37 of the Code of Federal Regulations or to any third party which would not similarly qualify as a small business concern under Section 1.9(d) of Title 37 of the Federal Code of Regulations or as a nonprofit organization under Section 1.9(e) of Title 37 of the Federal Code of Regulations, for the purposes of payment of

reduced fees to the United States Patent and Trademark Office in connection with processing of the above-referenced United States patent application, pursuant to Title 37 of the Code of Federal Regulations.

I acknowledge the duty to notify the United States Patent and Trademark Office of any change in status resulting in loss of the right to pay reduced fees under Title 37 of the Code of Federal Regulations for the processing of the above-referenced patent application and for the maintenance of any patent(s) issuing therefrom prior to paying, or at the time of paying, the earliest of any fee due after such change of status and resultant loss of right.

I hereby declare that all statements made herein of my own knowledge are true and all statements made on information and belief are believed by me to be true and further that such willful, false statements and the like so made are punishable by fine or imprisonment or both under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the patent application, and any patent issuing therefrom.
